

**NO MEMORIAL** may be erected unless in compliance with the Cemetery Regulations, the required fees have been paid and a permit for the erection of a memorial has been issued. An appointment with the Sexton must be made to erect or remove any memorial.

**NO MEMORIAL** may be erected unless Exclusive Right of Burial for the grave space upon which it is proposed to be erected has been purchased from the City Council.

I (We) propose to erect a memorial in accordance with the particulars set out in Truro City Council's Cemetery Regulations and as detailed in the above plan.

I (We) agree that, in the event of the graves immediately adjoining on either side of the grave space upon which it is proposed to erect the memorial not having been dug or used, to hold myself (ourselves) responsible for any damage accruing to the proposed memorial during the digging or occupation of such adjoining grave or graves.

On 27 February 2017, the City Council approved that, with effect from that date, the following regulations should apply in respect of the erection of Memorials in Truro Public Cemetery and in respect of the replacement of any existing Memorial erected in the Cemetery:

- The base of each headstone erected is to be a maximum thirty-two inches long and twelve inches wide and set so that the top of the base is four inches above the level of the ground, measured on the high side
- The maximum width of the headstone is to be thirty inches, and the maximum height, thirty-six inches above the top of the base; the headstone to be four inches thick
- The foundation stone be set and doweled into a minimum of 100 mm deep concrete founding made up of - one-part cement; two-parts sand; four-parts of gravel or three-quarters to dust
- The foundation stone to be fixed below ground level
- The base stone to be doweled to the foundation stone following the final burial and inscriptions
- No kerbs or ledgers are to be fixed
- A flower receptacle not forming an integral part of a headstone may be placed to the right-hand side of the headstone; in line with the base of the headstone. All other receptacles placed elsewhere on the grave space will be removed by the Sexton without notice
- Wooden crosses may be erected if in compliance with these regulations
- All works to be inspected by the cemetery sexton following completion
- Trade names and grave reference **MUST** be inscribed on every monument – **please see Regulations**
