## **TREMORVAH PLAYING FIELD – HAVE YOUR SAY**

Truro City Council is looking to gauge the views of those that use Tremorvah Playing Field or live nearby. The Council is reviewing the current layout of the Playing Field so it can develop a draft plan for future use. The Council is consulting the community to find out about the current use of the playing field. We also want to find out what people think about some ideas to include in the plan. The results of the survey, together with a draft plan, will be considered by the Council before a final plan is agreed.

**The closing date for this survey is Friday 29 October 2021.**

***Information will be used for discussion about Tremorvah Playing Field and other green areas under the control of Truro City Council. Truro City Council stores data in compliance with the Data Protection Act 1998 and in line with the General Data Protection Regulation (GDPR) 2018.***
